

**JAG Cares:
MOVE FOR HUNGER SOUPER HERO FOOD DRIVE
October 18, 2023**

JAG Management Company communities collected over 5,000 donations as part of our SOUPer Hero food drive to help local food banks in advance of the holiday season. We would like to thank our residents and team members who generously participated in our annual Move For Hunger service initiative. JAG is proud to do our part to help stop food insecurity in the local communities we serve.
